25+ YEARS

OF COMMITTED HIGHER EDUCATION

It has been 25 years and today DIT University is at the paragon of academic eminence and intellectual discovery. The legacy of DIT University finds its roots back to the year 1998. Dehradun Institute of Technology(DIT) was established by Shri Naveen Agarwal. More than a decade later, DIT was conferred the status of an autonomous institution, recognized by the UGC in 2011. On February 15, 2013, DIT attained the status of a University under DIT University Act (Uttarakhand Act No. 10 of 2012).

The University introduced its Doctoral programs from the year 2013, along with numerous additions to its Undergraduate & Postgraduate programs, in the later years.

In order to provide the best placements, the University established the Career Development Centre (CDC), along with seven Centers of Excellence (COEs) with state-of-the-art laboratories and infrastructure to facilitate ardent research and a learning ambience like nowhere else. The Centre of Innovation, Incubation, Entrepreneurship & Start-up (CIIES) was later set up.

In the span of 25 years, DITU has established itself as a venerable, hallmark institution of higher education, with the prestige to always deliver upon each promise. Today, the University is a heritage establishment which offers more than 70 programs has unparalleled, consistent placements, and a faculty pool of over 300 distinguished academicians, who stand as the epitome in their respective fields. The scholars who venture here- to learn, research, work and grow- join a quarter of a century of students in the pursuit of truth, knowledge, and a better world.

VISION FOR A FUTURE-READY GENERATION

Welcome to DIT University. We are a premiere Institute of higher learning, offering UG, PG and PhD programmes in Sciences, Engineering, Technology, Liberal Arts, Management, Pharmacy, Architecture Planning & Design and Nursing & Healthcare Professions. Located in Dehradun, a city well known for its schools and educational Institutions, DIT University has created a space for itself as one of the top multi-disciplinary university attracting some of the bright students from all over India and abroad.

The goal of DITU is to impart value based quality education to its students, equipping them with the knowledge and skills necessary to make them successful in life. We believe in giving the students a holistic education, inculcating in them positive thinking and a scientific outlook. Ours is a university guided by the principles of trust, integrity and transparency. Our faculty are highly qualified and committed to excellence.

After attaining the status of a University in 2013, DITU has established itself as a leading university in India with innovative and regularly updated curriculum,

establishment of Research centres of excellence, flexible choice based credit system, and industry exposure; coupled with a vibrant campus with state of the art infrastructure. Our alumni have proved themselves in different walks of life as successful entrepreneurs, industry professionals, and in government services. I invite you to be a part of DIT University. Come to us, learn with us and create your own path to excel in life.

In tune with the new education policy DITU has introduced several academic flexibilities, opportunities for students to specialize in new age technology such as Chip Design, Data Science, AI, Machine Learning, Financial Technology etc. from the academic year 2023-24 students will have the opportunity to complete minors in a discipline which is outside their major subjects of study thus enhancing their carrier opportunities.

**VICE CHANCELLOR,
DIT University**

WELCOME TO DIT UNIVERSITY

DIT University is designed to provide comprehensive education, enabling students to stand on their own feet. The focus is always on the promotion of self-learning and honing talents to ensure the all-round development amongst our students. Our academic disciplines are split across Engineering, Information Technology, Architecture, Liberal Arts & Management, Physical Sciences, Pharmaceutical Sciences, Nursing and Healthcare Professions. Each academic area aims to develop graduates who are knowledgeable and skilled, who will be sought after by employers and become active global citizens. Our campus is global- not only in terms of the students who come to DIT University from all over the country and abroad, but also in terms of the community of academicians and experts we attract. It's not just our impressive academic record and internationally recognized courses that

make us different. It's the initiatives and partnerships we have in place to make sure you have the right skills, knowledge and confidence for the fast-evolving world of employment.

DIT University welcomes students from across the globe. Located in Northern India, we're one of the region's largest universities offering a wide range of higher education and professional undergraduate, postgraduate and doctoral programs. Our courses are all designed to help you progress and equip you with the practical skills that will get you ahead in your career. With on-site support from our Placements and Career Development Cell, we also assist you to plan your next career move.

Our community is diverse and exciting, so is our teaching. Our holistic, interdisciplinary approach and successful affiliations of DIT University have already enriched the diverse culture and reinforced the values at every step. You gain a world class degree built around your interests and passion at DIT University. We help every student not just to survive, but thrive in today's increasingly interconnected world.

DIT University is a premier Institute of Higher Learning in the broad areas of Science, Engineering, Technology, Liberal Arts, Management and Healthcare. DITU is a diverse and dynamic community buzzing with creativity, aspiration, and ideas. Over a long & proud history, we have pushed the limits of knowledge and carved a niche in Technical Education with emphasis on quality through up-to-date curriculum and lecture delivery methods supported by Strong Laboratory components. The Institute created a space for itself in Northern states and at the all-India level. At present, DITU Alumni are brand ambassadors of the Institute and are respected in all service sectors.

Dehradun is well known for its reputed educational institutions of national and international importance. DITU provides an

excellent education opportunity to make its presence felt with cutting-edge technologies and global perspectives. At present, seven faculties from Engineering and Technology to Pharmacy, from Physical Sciences to Management provide education and drive to achieve excellence in all spheres. Our emphasis is to create a research environment that leads to Ph.D. degrees, knowledge creation, and innovations that positively impact social and economic lives. Brilliant students and committed Faculty are two critical components in this growth engine to fulfill the Nation's aspirations. I am confident that DITU, Dehradun will leave no stone unturned in playing a significant role in achieving the national dream of a higher Gross Enrolment Ratio (GER) and two-way internationalization.

Our alumni have exciting and rewarding careers at companies including KPMG, Infosys, TCS, Adidas & Coca Cola, both in India and around the world.

DIT University has played an important role in shaping my personality and skill sets, allowing me to become the confident person I am today. Talented students and experienced faculty members who taught me principles like adaptation & leadership have surrounded me. Throughout my voyage, the higher authorities were always helpful and supportive. I have made some incredible friends who continue to inspire me at all stages of my life. My time at the university campus was invaluable, and if I could go back in time, I would do it all over again.

Four years at DIT University were a mixture of excitement, knowledge, emotions, and learning new things daily. Studying away from college and home feels not good because you are alone, but when you get faculty as we have in our college, you become very comfortable with the environment very fast. These four years at this university taught us everything, including how to live professionally and be disciplined. Which is helping us in our workplace. So I am very grateful that I chose DIT to shape my career.

DIT University not only provided me with an excellent academic and extracurricular curriculum but also a culture that inspired me to grow and become a better person. The university's events and celebrations exposed me to diverse cultures, and I learned the importance of teamwork and leadership through various clubs and societies.

I was really impacted by what DIT University said to me: Imagine, Aspire, Achieve; I kept that in mind and am very happy with what I achieved because of that today. I am proud to be a DiTian and will always cherish the happy time I spent there. I would like to thank the faculty members for their unwavering support and guidance, which helped me develop into a more confident, knowledgeable, and responsible individual.

In conclusion, I would like to reiterate my gratitude to DIT University for providing me with a nurturing environment that helped me achieve my goals and aspirations. I will always be grateful to DIT and recommend it to any student looking for a quality education and a vibrant campus life.

Having been part of the very first batch of DIT, I have been associated with the institute since its start in 1998. It fills me with pride to see the institute grow the way it has in these past 25 years. Boasting of top-notch infrastructure, the facilities available for students and scholars are second to none. But perhaps the most remarkable aspect of the institute is the learned, experienced, and hands-on professors and teachers who go much beyond their limit in shaping and mentoring the students so that they are well-prepared for facing the challenges of the modern world. Wish the students, teachers, and staff of the institute all the very best.

Way to go DIT !!!
